The authors of “Perspectives of Nonphysician Clinical Students and Medical Lecturers on Tablet-Based Health Care Practice Support for Medical Education in Zambia, Africa: Qualitative Study” (*JMIR Mhealth Uhealth* 2019;7(1):e12637) inadvertently omitted Annel Bowa, MSc (Chainama College of Health Sciences, Lusaka, Zambia) from the list of authors, although initially he had been included as a co-author and had signed the

License to Publish form. He has now been added to the list of authors directly after Till Bärnighausen.

The correction will appear in the online version of the paper on the JMIR website on April 3, 2019, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article also has been resubmitted to those repositories.
