Correction of: <https://mhealth.jmir.org/2019/4/e12223/>

(*JMIR Mhealth Uhealth* 2020;8(5):e18921) doi: [10.2196/18921](https://doi.org/10.2196/18921)

The authors of "Postvaccination Fever Response Rates in Children Derived Using the Fever Coach Mobile App: A Retrospective Observational Study" (*JMIR Mhealth Uhealth* 2019;7(4):e12223) identified an error in the Acknowledgements section.

In the first part of the Acknowledgements section, the following phrase:

This work was supported by Technology Innovation Program (10060085) funded by the Ministry of Trade, Industry, and Energy (MOTIE, KOREA)

Has been changed to:

This work was supported by Technology Innovation Program (20002289) funded by the Ministry of Trade, Industry, and Energy (MOTIE, KOREA)

The correction will appear in the online version of the paper on the JMIR website on May 7, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 27.03.20; accepted 01.04.20; published 07.05.20.
