In “Effectiveness of Mobile App-Assisted Self-Care Interventions for Improving Patient Outcomes in Type 2 Diabetes and/or Hypertension: Systematic Review and Meta-Analysis of Randomized Controlled Trials” (*JMIR mHealth* 2020;8(8):e15779) the authors noted an error.

In Table 4, the symbol/indicator for “Logging–Medication” and “HbA_{1c} reduction” should be a solid dot (referring to footnote g) instead of a cross (referring to footnote i).

The correction will appear in the online version of the paper on the JMIR Publications website on August 19, 2020, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
