In “Smart Data Collection for the Assessment of Treatment Effects in Irritable Bowel Syndrome: Observational Study” (*JMIR Mhealth Uhealth* 2020;8(11):e19696) the authors noted one error.

The phone number originally published in the Corresponding Author address has been removed from the paper for privacy reasons.

The correction will appear in the online version of the paper on the JMIR Publications website on February 18, 2021, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
