Correction of: <https://mhealth.jmir.org/2021/1/e24807/>

(*JMIR Mhealth Uhealth* 2021;9(3):e28336) doi: [10.2196/28336](https://doi.org/10.2196/28336)

In “A Self-Help App for Syrian Refugees With Posttraumatic Stress (Sanadak): Randomized Controlled Trial” (*JMIR Mhealth Uhealth* 2021;9(1):e24807) one error was noted.

In Table 4, in the row “ED-5D-5L” and sub-row “4 weeks”, under the final column “95% CI”, the correct value was not rendered and appeared only as “t”. This value has been corrected to “-0.189 to 0.556”.

The correction will appear in the online version of the paper on the JMIR Publications website on March 5, 2021, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 01.03.21; accepted 03.03.21; published 05.03.21.
